joined by co editors theresa severance and alan bruce joseph jacoby continues to provide classic scholarly works on criminology in their original form allowing readers to share in the discovery and unfolding of powerful ideas in the authors own words these writings from over the past two centuries represent the most influential approaches to explanations of and social responses to crime the fourth edition offers seventy five selections thirteen of which are new to this edition included in this comprehensive volume are both authors whose work is widely recognized as significant in itself and authors whose work substantially influenced the thinking of subsequent scholars this inclusive collection is organized into three sections each of which opens with a brief editorial introduction to provide context section i the classic descriptions of crime contains writings

whose primary contribution is descriptive although they also offer important theoretical insights these works illuminate with great clarity certain aspects of the phenomenon of crime section ii theories of causation of crime covers over two centuries of theorizing about the causes of crime most of these writings are specifically about crime although some emphasize larger social issues that have direct implications for criminology section iii the social response to crime includes writings that variously describe theorize about or advocate specific social responses to crime some of the best works on the criminal justice process as it operates internally and as it functions in its social setting are included here

if students read only about and not in criminology their experience is but secondhand and their conclusions are determined by textbook authors says joseph jacoby in the preface to this edition of his well known collection classics of criminology by reading scholarly works in their original form readers can share in the discovery and unfolding of powerful ideas in each author s own words classics of criminology is a compilation of writings produced over the last 240 years these writings represent the most influential approaches to describing and explaining crime and the social responses to crime the organization of the collection enables readers to follow the development and application of key ideas from one major author to the next

congratulations to sage author shaun l gabbidon for becoming the second scholar in the college s history to be named a distinguished professor by the university s office of the president pennsylvania state university harrisburg this collection of writings is crucially important in part because it reminds us the theoretical paradigms of these and other african american scholars are excluded when crime its causes and its control are discussed by criminologists criminal justice practitioners and policy makers to understand crime fully the perspectives advanced by these scholars must become an integral part of discussions about who is a criminal and which public policies will best control crime from the forward by anne thomas sulton ph d j d from w e b dubois through lee brown this anthology provides a collection of the key articles in criminology and criminal justice written by black scholars available in a single volume for the first time the articles collected in this book reflect the voices of african american scholars and display the diversity of perspectives sought after in today s academic community crime in the african american community is examined from social economic and political perspectives and the historical context of each article is provided by the editors spanning the 20th century these works present a historical chronology of african american views on crime and its control with theoretical perspectives that have often been tangential to mainstream scholarship for your courses in criminological theory race and crime crime and social policy minorities and criminal justice

this volume looks at marxist thought in criminology the work of willem bonger georg rusche and otto kircheimer and assesses

the role of marxist analysis in areas such as critical criminology and left realism arguing that marxism is relevant in the post soviet era it offers a toolkit of marxist theories and how to use them

a new interdisciplinary approach to understanding conflict power control and criminality conflict crime and criminology offers a novel approach to conceptualizing the ways conflict and power shape both crime and criminology exploring the issues from a global and transnational perspective this book equips readers with insights for understanding interconnections involving the psycho social political economic and cultural conflicts that underlie both criminality and associated control responses drawing on decades of research and personal engagement working within the domain of criminology james sheptycki develops an innovative perspective on the history of the present that sheds light on contemporary global concerns and emergent possibilities for future inquiry the book s chronological structure follows sheptycki s intellectual journey making a self reflective narrative about his adventures in criminology into a scholarly resource that sheds light on its evolution each chapter explores key phenomena such as domestic violence serial killers drug criminalization transnational organized crime gun crime and ecocide revealing how conflict power and control shape them engaging with issues from the local to the transnational and drawing on insights from philosophy history sociology and media studies sheptycki positions criminality as a symptom of deeper societal contradictions a reinvigoration of thinking about the enduring role of power and conflict in shaping crime and criminology for the twenty first century conflict crime and criminology an interdisciplinary approach integrates theories from philosophy sociology psychology political economy and cultural studies provides in depth case studies for example concerning gun crime in toronto corruption in british columbia and transnational police assistance in haiti engages with emergent topics such as ecocide human rights based criminology and the digital transformation of law enforcement develops a theoretical model for understanding transnational organized crime and elite corruption critiques cultural and media constructions of serial killers and public disorder critically engages with feminist green southern anti racist anti colonial left realist ultra realist and conservative theoretical perspectives in criminology addresses the post democratic drift to authoritarianism characteristic of liquid modernity conflict crime and criminology an interdisciplinary approach is a thought provoking book for teaching and learning in undergraduate graduate and doctoral level courses in criminology sociology law socio legal studies governance and politics particularly for those concerned with globalization and the world system

includes entries for maps and atlases

bimonthly abstracts of journal articles and monographs covers material from psychiatric literature as well as from criminological sources entries arranged in classified order author subject indexes

this highly acclaimed criminology text presents an up to date review of rational choice theories including deterrence shaming and routine activities it also incorporates current examples of deterrence research regarding domestic violence drunk driving and capital punishment and features thought provoking discussion of the relativity of crime the authors explore the crime problem its context and causes of crime the organization of the text reflects the fact that the etiology of crime must be at the heart of criminology it examines contemporary efforts to redefine crime by focusing on family violence hate crimes white collar misconduct with violent consequences and other forms of human behavior often neglected by criminologists extensive discussion of evolving laws is included and while the prevalence of the scientific method in the field of criminology is highlighted the impact of ideology on explanations of crime is the cornerstone of the book
