together with consulting editor dr bonita stanton drs steven kairys and arturo brito have put together a comprehensive issue that addresses vulnerable children in the united states expert authors have contributed clinical review articles on the following topics adverse childhood experiences and outcomes abuse and neglect foster care family violence homelessness street children undocumented community violence 20 questions and answers about media violence and cyberbullying autism as a representative of disability addiction including tobacco and drugs in children food insecurity and the impact on child health guns and school violence the vulnerability of children the vulnerability of lgbtq children implicit bias impact on children supporting immigrant children and youth what pediatricians can do and human trafficking readers will come away with the information they need to improve outcomes in vulnerable pediatric patients

this volume comprises national reports on migration and migration law from 17 countries representing all continents the vast majority of these are countries of immigration which means they face specific challenges in terms of managing migratory flows that are increasingly linked with climate change and scarce natural resources worldwide and they need to find viable ways to integrate humanitarian migration unlike so many recent publications in the field of international migration law this book brings together reports on diverse countries that are rarely regarded as part of one and the same picture depicting globalized migration in the contemporary era that to a large extent challenges state sovereignty the contributions delineate the legal regimes that individual states are continually developing and modifying with a view to managing and controlling access of individual persons to their respective territories they also show how the restrictive measures that states resort to in the event of failure to manage migration could have a lasting legal impact the general report preceding the country reports provides a comparative overview of the national reports and is divided into two parts the first more technical in nature addresses the classic questions relating to admission to and residence in a country the second more reflective section examines the relationship between laws and migration in a wider and multidisciplinary perspective to allow a robust comparison the country reports all follow a similarly wide ranging structure to the extent possible they also cover the historical sociological and demographic factors that help explain legal regimes and migratory flows in each country each country report includes analyses of recent legislative developments and delicate questions that are still awaiting adequate legal responses as well as perspectives for the future

cases decided in the united states district courts united states court of international trade

and rulings of the judicial panel on multidistrict litigation
