the national institute of health states that methamphetamine increases the amount of dopamine in the brain a chemical that is involved in body movement motivation pleasure and reward the drug causes an intense high which fades quickly nearly 1 2 million people reported using the drug in the past year while 440 000 people reported using it in the past month this crucial edition delves into the history of methamphetamine as a recreational drug and as a big business for criminal enterprises it also discusses the toll that methamphetamine addiction takes on its users as well as families and communities in general the book concludes by discussing processes and methods used to treat meth addiction and how law enforcement agencies are trying to combat the meth industry

galax a small virginia town at the foot of the blue ridge mountains was one of the first places that henry h brownstein timothy m mulcahy and johannes huessy visited for their study of the social dynamics of methamphetamine markets and what they found changed everything they had begun by thinking of methamphetamine markets as primarily small scale mom and pop businesses operated by individual cooks who served local users generally stymied by ever more strenuous laws but what they found was a thriving and complex transnational industry and this reality was repeated in towns and cities across america where the methamphetamine market was creating jobs and serving as a focus for daily lives and social experience the methamphetamine industry in america describes the reality that the methamphetamine industry is a social phenomenon connecting local national and international communities and markets the book details the results of a groundbreaking three stage study part of a joint initiative of the national institute on drug abuse and the national institute of justice in which police agencies across the united states were surveyed and their responses used to identify likely areas of study the authors then visited these areas to observe and interview local participants from users and dealers to law enforcement officers and clinical treatment workers through the eyes and words of these participants the book tells the story of the evolution of methamphetamine markets in the united states over the past several years given changes in public policies and practices and changing public opinion about methamphetamine the authors look closely at how the markets are part of a larger industry how they are socially organized and how they operate they also consider the relationships among the people involved and those around them and the national regional and local culture of the markets their work demonstrates the importance of understanding the business of methamphetamine and by extension other drugs in society through a lens that focuses on social behavior social relationships and the cultural elements that shape the organization and operation of this illicit but effective industry

though drug use was widespread in the nineteenth century the negative influence of narcotics was mostly unknown cinema of the early

twentieth century was instrumental in making viewers aware of the harmful effects of drugs throughout the decades images of drugs such as marijuana lsd and heroin in films impacted both negatively and positively the national perception of their use in fact the use popularity and opinion of certain drugs often follow their status on the big screen in hooked in film john markerttakes a close look at the correlation between social policies and the public view of drugs and their portrayals in film in this volume markert examines the changing social attitudes toward illegal drugs and their cinematic depictions from as early as the 1894 film chinese opium den to the present the first section of this book focuses on the demonization of drugs between 1900 and 1959 followed by an assessment of marijuana on the big screen after 1960 when the drug was shown as part of everyday life with no serious consequences post 1960 depictions of heroin use which have remained consistently negative are also analyzed markert then takes a close look at the portrayals of powdered cocaine after the 1960s and the emergence of crack in the mid 1980s finally markert discusses hallucinogens ecstasy and methamphetamines and their roles on the big screen tracking hundreds of films spanning more than a century hooked in film looks at camp classics like reefer madness comedies such as cheech and chong s up in smoke dazed and confused and pineapple express and dramas including panic in needle park and requiem for a dream scholars and students of cinema popular culture media studies and sociology will find this book a valuable examination of how cinematic portrayals of drugs have changed over time and how those images have influenced public perception of drugs and even public policy
