if accepting the lord jesus christ as one s savior is enough pastor sampong writes why does the holy scripture admonish christians to act differently than before in what is a true christian he offers an intelligent and comprehensive answer to this question to do so he asks further what is repentance what are the spiritual characteristics that separate the wheat from the chaff what specifically is the work of salvation the author is unflinching in his scripturally based and detailed examination of what distinguishes the true christian from the unregenerate sinner this might be a difficult book for those who are lukewarm temporary or who sit on the fence to read but it is a deep and meaningful voyage into discovery of where we place god in our hierarchy of life priorities in the words of bro sampong you can then self examine your christian profession in relation to god s word to determine whether or not you need to reassess your faith and walk with the lord pastor joshua sampong cites the parables of the lord jesus in the bible the writings of charles haddon spurgeon john charles ryle and thomas watson and quotes martin luther in support of his message absolute obedience in christ alone is key the author argues only as a new creation having the faith in god to obey the great commission and reflecting his holiness can a person claim to be a true christian brother sampong grew up in a christian home and currently serves as a co pastor with the fcg church head pastor james ambrose clark iii in trenton new jersey usa

seminar paper from the year 2022 in the subject theology biblical theology grade a language english abstract according to john w drane in his journal gnosticism and the new testament 2 john writes asserting that over the last seventy years or so three considerations have been taken up in dealing with the question of gnosticism and the new testament referred to as the classical theory pre christian gnosticism and a simultaneous development the classical theory terming gnosticism as a christian heresy the church fathers engaged in the fight to keep the catholic church of the early centuries free from heresy assuming that the catholic faith was the original form of christianity and any departure must have come in later which could have been based on a perversion of orthodox christian belief from aforesaid it was self evident that gnosticism was based on catholic christianity and constituted a deviation from the true faith from the time of the fathers until the rise of scientific biblical criticism towards the close of the nineteenth century interpreters had more or less claimed that gnosticism was a perversion of the true christian gospel beginning sometime in the second century ad and that a fairly clear line of development could be tracked from those elements of docetic teaching opposed in such new testament writings as 1 john to the developed gnostic heresies the arrival of a scientific approach to biblical history dealt what must be considered as a death blow to this theory of gnostic origins though it was not without a counter attack that this was accomplished
