what does a genuinely adult spirituality look like many adults find it difficult to answer this question because they often retain a childlike understanding of god and religion this book explores that phenomenon and then offers adult alternatives in the light of mysticism depth psychology and the evolutionary cosmology written for the average person and without denominational bias this book describes how a mature faith is nourished by religious views that are open minded rather than provincial metaphorical rather than literal and respectful of individuality rather than rigid and rule bound how to be an adult in faith and spirituality offers a gentle reply to the atheism of our postmodern world by guiding readers along a path of enriching spiritual growth and by awakening them to the potential of the transcendent the place within us and beyond us where true and lasting faith abounds book jacket

this relatively new culture of the adult faith seeker originated in the closing decades of the twentieth century as developmental psychology highlighted the changing nature of growth and maturity at different life stages accompanied by the information explosion adult people particularly began to ask questions for which they sought adult answers the co dependency of earlier times expecting adults to simply accept what religious authorities taught is alien to adult religious maturity adult faith has arrived at a new threshold requiring novel approaches and strategies in the religious development of adult people diarmuid o murchu charts this evolutionary development highlighting dimensions of conventional religion which no longer inspire or offer hope along with those that nurture and mature and sheds new light on the spiritual horizons which contemporary adults seek to embrace the result is a path breaking book that empowers adult faith seekers to confidently grow in wisdom and in grace and that enables the church to use its resources to strengthen the faith of its people at a time of great change in how people think about religion

bringing together the authors's experience of working in europe the united states and australia this book includes the latest rites for welcoming adults into church membership together with a detailed account of the adult catechumenate and the way in which adults may make a journey into faith making commitment at the right time on the way and following through into discipleship

since the ending of vatican ii the church has officially published no fewer than eight major documents calling for adults to be the center of the church's educational mission and the catholic faithful are calling on the church to quench their thirst for a deepening of their lived faith they realize that the catechesis they received as children simply isn't enough to continue in the faith as adults in the church and world they desire a deepened faith in deepening faith janet schaeffler op offers a practical guide and source of encouragement to parish and diocesan committees catechists and adult faith formation teams she outlines the essential foundations methods and strategies that can support this journey for today's adults of all ages and generations

in this updated reissue of his 1984 classic james fowler applies his groundbreaking research on the development of faith to christianity in his revised first chapter fowler locates his approach to the study of human and faith development in relation to the contemporary conversation about identity and selfhood in postmodernity fowler invites readers to explore what it means to find and claim vocation a purpose for one's life that is part of the purposes of god reclaiming covenant and vocation as ideals for responsible mature christian selfhood fowler shows how a dynamic understanding of what vocation involves can both inform and transform lives

focuses on the developmental process of religion and spirituality across the human life span this encyclopedia joins a recent trend in research and scholarship aimed at better understanding the similarities and differences between world religions and spiritualities between expressions of the divine and between experiences of the transcendent

how faith matures is a follow up to c ellis nelson's classic work where faith begins extending and developing the insights of that earlier volume how faith matures proposes an alternative to the church school and presents a model that church professionals can apply to improve education in their church communities

in innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked very few such efforts pay serious attention to the role of religion and spirituality in the lives of american adolescents but many teenagers are very involved in religion surveys reveal that 35 attend religious services weekly and another 15 attend at least monthly 60 say that religious faith is important in their lives 40 report that they pray daily 25 say that they have been born again teenagers feel good about the congregations they belong to some say that faith provides them with guidance and resources for knowing how to live well what is going on in the religious and spiritual lives of american teenagers what do they actually believe what religious practices do they engage in do they expect to remain loyal to the faith of their parents or are they abandoning traditional religious institutions in search of a new more authentic spirituality this book attempts to answer these and related questions as definitively as possible it reports the findings of the national study of youth and religion the largest and most detailed such study ever undertaken the nysr conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed the results show that religion and spirituality are indeed very significant in the lives of many american teenagers among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought they refute the conventional wisdom that teens are spiritual but not religious and they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes this eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of american religion as a whole

this work examines the history of the church and the causes of the reformation and traces the development of evangelical protestant theology up to the mid nineteenth century the history is focused on protestantism in germany but includes information on how it developed in other european and north american countries

growing in faith is like being rooted in christ and each of the twelve sessions in this book are grounded in the firm belief that all catholic

adults are called to discipleship to follow christ in all of life s big and little challenges this is an invaluable resource for lifelong learning and recommended in particular for catechist formation

a resource guide for designing facilitating and conducting sunday morning catechumenate sessions and for assisting personal reflection during the catechumenate

this catechism is specifically designed for catholic adults for those who are new to the church and especially for those who are journeying through the rite of christian initiation
