confederation may have established canada s nationhood in 1867 but the relationships framing canada s modern existence go back much further employing a unique socio historical perspective canadian society in the twenty first century examines three formative relationships that have shaped the country canada and quebec canada and the united states and canada and indigenous nations now in its fourth edition this engaging text offers students an overview of canadian society through a series of connections rather than a collection of statistics trevor w harrison and john w friesen weave together complex aspects of the nation s economic political and socio cultural development they guide readers to use this interdisciplinary framework to consider some of the tough questions that canada is likely to face in adjusting to demands and challenges in the next few decades reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization canada s petroleum industry global warming the wet suwet en dispute in 2020 and the covid 19 pandemic exploring the unique character of canada today this text is a vibrant resource for sociology courses on canadian society as well as courses in canadian studies and canadian history

it is possible to overcome barriers to minority success in canada the stance of this book is that new immigrants refugees and international students do not have to settle for underachievement despite the cultural and structural disadvantages they face in canada the fact is the unequal social structure of canada has some cracks and many minorities have used strategic resources to open up these cracks and achieved tremendous upward social mobility in canadian society from the margins these documented minority successes in canada in the face of systemic marginalization provide lessons and hope for new immigrants refugees and international students the economic political social and

cultural problems that minorities encounter in canadian institutions organizations communities and from individuals overwhelm and break many of them however some minorities break records in the face of the frustrations they encounter what accounts for the success of the latter group of immigrants refugees and international students in canada individual efforts and personal ambitions are not enough to explain these success stories this book highlights strategies and support systems that facilitate minority strategic connections with canadian mainstream institutions organizations and individuals to win from the margins of society although the book does not get into the theories of inequality equity and diversity it does acknowledge the structural and cultural barriers to minority success in canada that is it does not blame individual minorities for not making it in canada rather it points to strategic resources that new immigrants refugees and international students can use to help them overcome some of the barriers to success in canada about the authors dr adu febiri is currently sociology professor in the department of social sciences at camosun college british columbia canada francis is also an associate member of the faculty of graduate studies at the university of victoria he has presented and published extensively on tourism human factor development globalization diversity racialization and ethnicity he is the author of first nations students talk back voices of a learning people dr adu febiri is the founder and president of workplace diversity consulting services wdcs and serves as the chair of the ethnocultural advisory committee of the ministry of children and family development victoria british columbia he has been the president of the canadian chapter of the international institute for human factor development iihfd since 2000 everett ofori is the author of prepare for greatness how to make your success inevitable and the changing japanese woman from yamatonadeshiko to yamatonadegucci in addition to four years of volunteer service as an english teacher with the intercultural association of greater victoria british columbia everett has coached hundreds of university and high school students both in canada and asia on how to hone their oral and written communication skills he holds a master s in business administration mba degree from heriot watt university scotland and is currently working through his doctorate program

this text investigates the fundamental questions and issues of canadian society within the framework of a national unit the objective is to provide the reader with a sense of the continual transformation of canadian society and to sketch the forces that contribute to change by discussing demographic differences such as language and ethnicity and canadian dilemmas such as foreign influence cultural dualism inequality regionalism and

nationalism hillier illuminates both the unique character of canadian society and the struggle of constituent populations in a negotiated entity to define their nation in the past and the future
